VERSE 1:

I believe that the future is brighter
I believe in His promise for me
I believe that He's working and He's not done
The best, the best is yet to come

VERSE 2:

I know He makes the anxious courageous
I know He makes the doubters believe
I know He won't stop working cause He's not done
The best, the best is yet to come

CHORUS:

I've got this hope in my soul
I know it won't let me go
Lord, I believe
With Your life in me I've just begun
The best is yet to come

VERSE 3:

I believe that He gives second chances
I believe He works all things for good
I believe that He's working and He's not done
The best, the best is yet to come

BRIDGE:

I got my hopes high
You make my hopes rise
I got my hopes high
You hold my whole life
